## Join the Celebration MCC MARKS 60 Years of Excellence

written by Mesa Community College | March 6, 2025

Join us in celebrating Mesa Community College's 60th anniversary on Wednesday, April 9, from 11 a.m. to 1 p.m. at both the Red Mountain and Southern and Dobson campuses.

The community along with students, alumni, faculty, and staff are invited to honor our college's legacy and bright future ahead.

MCC President Dr. Richard Daniel along with special dignitaries will kick off the celebration. Enjoy refreshments and indulge in some celebratory cake and festivities as we reflect on MCC's remarkable past and look forward to an even brighter future.

"MCC has been unwavering in its focus on creating an inclusive environment for students where everyone is supported to achieve success," said Dr. Richard. "In addition,

we deeply value our partnerships with the business community, which enable us to expand curricula and develop new programs to meet the immediate needs of our community and those of the foreseeable future."

For the past six decades, MCC has built a legacy based on improving student lives and enriching the local community through academic excellence, cutting-edge career training, and workforce development programs. The college has played a vital role in the economic growth of Arizona, while shaping the careers and futures of thousands of students.
